VERSENG
GROUP

Have you got a passion for welding?
Do you have what it takes to work on a range of projects?
Welders Needed!

Yes? Then here's an opportunity for you!

Verseng Group is a multifaceted mechanical engineering/manufacturing company, specialising in CNC machining, fabrication, manufacture of special purpose machinery and Ground Support Equipment for Defence, Mining, Rail, Service and Heavy Industry.

We need talented & trade qualified welders to join our busy team. You will have to opportunity to work on varied and interesting project and be a part of a great team in a friendly, but fast paced working environment.

Essential:

- Strong welding skills
- Experience with different types of welding and materials
- Australian Trade qualification
- Ability to pass background/medical checks.

We would also prefer that you can provide proof of COVID-19 vaccination – some of our customers have this as a requirement…

We're looking for a team player with a positive attitude and the ability communicate effectively. In return, we're offering long term employment and opportunities for growth. Dependant on your experience and abilities hourly rates up to $42.00 per hour are on offer.

Interested? We want to speak to you!

Positions are available now!
